

# WATFORD GIFT CARD

## accepted here

- The Gift Card is a Mastercard program and works like any other mastercard
- The Gift Card works on your terminals in the same way as a Mastercard debit card
- Need to make a part payment? Put through the balance available on the card in a part payment as per your terminal instructions then ask the customer to pay the balance using another payment method
- Gift card not working?  
**Contact support on 0121 268 3210**  
(this number will be on the back of the customers card)
