UK Partnership Tour, 16–22 September 2026

Vehicle and owners: Alfa Romeo – Claudia and Michael Götz

This 1976 Alfa Romeo Giulia Nova Super has been in our ownership for over 20 years; it has been converted to a 2.0-litre engine producing 130 PS, with a total mileage of 220,000 km. Special feature: Faccio paint finish, code 516.

UK Partnership Tour, 16–22 September 2026

Vehicle and owners: BMW E 36 – Pia and Kay-Uwe Schreiber

1997 convertible with a 2.0-litre 6-cylinder engine, 150 PS and 130,000 km. The model series was produced from 1990 to 1998. All original; to be classified as a classic car in January 2027.

UK Partnership Tour, 16–22 September 2026

Vehicle and owners: Chrysler Crossfire – Barbara Schmidt and Bernd Gäbler

A2004 Roadster with a 3.2-litre V6 engine, 218 PS and a 5-speed automatic gearbox; special feature: retractable rear spoiler.

UK Partnership Tour, 16–22 September 2026

Vehicle and owners: VW Beetle Convertible – Andrea and Dirk Maak

Built in 1975, it was originally yellow and has been painted red since 2001. The interior was refurbished and the underbody replaced in 2018. The convertible top was replaced in 2024 and the engine in 2026. The vehicle has 50 PS and a displacement of 1600 ccm.

UK Partnership Tour, 16–22 September 2026

Vehicle and owner: Morgan 4/4 – Konrad Meier

This Morgan was built in 1976 with a Ford Kent engine, 90 PS and a displacement of 1,600 ccm. With its four-speed gearbox, it has a top speed of 175 km/h. Everything is original, including the 60,000 km on the clock.

UK Partnership Tour, 16–22 September 2026

Vehicle and owner: Morgan 4/4 – Sylvia Molter

The Morgan 4/4 has been in production virtually unchanged for 80 years, and is the only manufacturer in the world to use a wooden frame. It has no modern driver-assistance systems; it is cramped, noisy and draughty. Power: 115 PS from 900 kg, engine capacity 1800 ccm, handcrafted. Historical facts: first model in 1936, the longest uninterrupted production run. Comfort is minimal, driving pleasure is high.

UK Partnership Tour, 16–22 September 2026

Vehicle and owner: Porsche 911 Targa – Wolfgang Höptner

A total of 5,142 Targa Type 996 cars were built. This model was manufactured in 2003, has 320 PS, a 3,600 ccm engine capacity and 180,000 km on the clock. A distinctive feature is the rear window that opens upwards.

UK Partnership Tour, 16–22 September 2026

Vehicle and owner: Daimler-Benz W115 – Erwin Hamm

Mercedes-Benz W115, the so-called 'Strich-Acht', built in 1973 with a 2,000 cc engine and a 3- speed automatic gearbox. The car has been restored and has 60,000 km on the clock. Special feature: front seat belts.
